

**Ocean State Center for Independent Living  
October 2018 Lunch & Learn Workshop**

**at 1944 Warwick Avenue, Warwick**

**LIVING WELL WITH LOW VISION**

**Wednesday, October 24, 2018**

**12-2 pm**

**Join Stephen DeTatto, owner and operator of Silver Lining Technologies, for a presentation on low vision and blindness products that can enhance your visual needs for daily living from one of the leading suppliers of vision technology, HIMS.**

**See the latest in high definition magnifiers for home and travel and how the new desktop CCTV magnifiers of today make reading newspapers, magazines, greeting cards and more much easier. He will demonstrate how the HIMS Brand “Candy”, handheld model allows you the same freedom in the community as a larger CCTV, allowing you to read menus, pay bills, read price tags, and go shopping independently.**

**Also discussed will be magnifying and talking computer software programs and iPads and the latest designs in hands-free information with Amazon Echo / Alexa. These items can significantly reduce eye strain and fatigue.**

---

**As part of OSCIL’s mission to provide outreach, education and opportunities for peer support, OSCIL offers these FREE “Lunch and Learn” workshops highlighting various solutions that can increase access in your home and community.**

---
