NEW HEARING LOSS TECHNOLOGY DEMONSTRATION PROGRAM

Next Meeting – July 13, 2011.

(And continued on the 2nd Wednesday of each month)

This demonstration is presented at TechACCESS of RI by

Denise Corson, ATEL Program Coordinator, and

James Litvack, PARI Independent Living Center Representative

Technology for Persons with Hearing Loss is a demonstration that looks at technology that can improve access at home, work and in social settings.

The following equipment will be demonstrated:

- Adaptive Telephone Equipment Loan (ATEL) Program equipment, which includes amplified phones, and the CapTel. The CapTel is a fairly new technology that allows you to view word-for-word captions of your telephone conversations.
- Signaling devices such as: alarm clocks telephone ringers, doorbells and baby monitors.
- Personal amplification for conversations, meetings, social events and television.

All attendees can loan out equipment, on a first come first service basis, to see if the equipment is appropriate for their needs. Also, qualified attendees can apply for a **FREE** telephone thru the ATEL Program.

Location: TechACCESS

110 Jefferson Boulevard, Suite I, Warwick, Rhode Island

Time: 5:00 to 6:00 PM - view and demonstrate ATEL equipment ONLY!

**6:00 to 8:00 PM- Technology for Persons with Hearing Loss Demonstration,
followed by Q&A session (weather permitting).**

These workshops are free, no registration is required. CART Services will be provided; however, if you need any other special accommodations, please call 3 weeks in advance.

For more information, call 401-463-0202 (V/TDD), in state 800-916-8324
