

HARD-OF-HEARING PEER SUPPORT GROUP

Hosted by the ATEL Program

Part 2: Tips for easier communication at home and in the community.

Join others in a supportive space to share experiences, learn new communication strategies, and connect with peers who understand the challenges of hearing loss. This in person group offers the chance to talk openly and learn from one another in a welcoming environment.

Each month highlights a different topic designed to provide resources, tools, and encouragement for everyday life. Participants will leave with helpful strategies and a stronger sense of community.

- **Understanding the Basics of Hearing Loss**
- **Telecommunication at Home, Work, and Beyond**
- **Accessibility and Apps on Smartphones and Tablets**
- **Feedback for Future Topics**

Light refreshments will be served.
