1. PREAMBLE

The Providence/Cranston Workforce Development Board (PCWDB), in its capacity as the local Workforce Development Board for the Providence/Cranston Workforce Development Area, is responsible for a number of workforce services conducted in those two cities. The PCWDB consists of a volunteer board appointed by the Mayor of the City of Providence and is supported by the Workforce Solutions of Providence/Cranston Office, the designated city agency to administer workforce services. The PCWDB and staff share a vision of a high performance workforce development system built upon the one-stop career centers approach promulgated by the Workforce Investment Act (WIA) of 1998 and reaffirmed under the Workforce Innovation and Opportunity Act (WIOA) of 2014 and now referred to as America's Job Centers (AJC). This approach, driven by the needs of employers and individual customers will be available throughout the entire Providence/Cranston workforce development area.

To this end, the PCWDB in partnership with the state, regional and local service providers identified in this document, agree to the key principles and practices outlined in this Memorandum of Understanding (MOU) to establish and maintain a local career center, known as the Providence/Cranston America's Job Center (P/C AJC). The parties share a common commitment to provide all customers of the Job Center, based on the eligibility requirements of the each partner, with services and programs that are of high quality in an efficient, responsive and relevant manner. The MOU also serves to create the framework for providing services to employers, employees, job seekers and others needing workforce development services in the Providence/Cranston Workforce Development Area.

By the authority granted the PCWDB, under the provisions of WIOA, the PCWDB will oversee the P/C AJC office to ensure compliance with the intent and objectives of WIOA and this MOU. The PCWDB will monitor overall performance of the system including, but not limited to, the One-Stop Operator's management of the center and its responsiveness to the needs and expectations of the PCWDB, the partners and the customers. In addition, the PCWDB and the parties to this MOU recognize that changing economies; policy shifts and legislative mandates essentially drive the AJC system. Therefore, the PCWDB and the parties to this MOU agree to remain responsive to those changes in the spirit of continuous improvement. In all matters regarding its role, the PCWDB and its partners will be guided by the following:

The Vision.....

"To create a rich, vibrant, competitive economy in the Providence/Cranston workforce development area where individuals find good jobs, employers find the skilled workers they need and where all parties find the Providence/Cranston Workforce Development Area a place where they want to live, learn, work and invest."

The Mission....

"To continuously improve the Providence/Cranston Workforce Development Area's capacity to connect individuals, employers, jobs, education and service."

2. PURPOSE

The purpose of this MOU is to define the roles and responsibilities of each partner as mutually agreed by the parties for the operation of the P/C AJC as required under WIOA.

This MOU provides information about the relationship between parties regarding their respective roles, duties, obligations and responsibilities and expectations for the implementation of the provisions of Section 121(c) of Title I of WIOA. This MOU is also intended to create a foundation for a cooperative and mutually beneficial relationship between the PCWDB and the various partners. The intent of the MOU is to coordinate resources, prevent duplication and ensure the effective delivery of workforce development services to all customers of the AJC. This collaboration will establish joint processes and procedures that will enable partners to integrate the current service delivery system into a seamless and comprehensive array of job matching, education, support services, job training and other workforce development services. Parties to this document propose to coordinate and perform the activities and services described herein within the scope of legislative requirements governing the parties' respective programs, services and agencies. This MOU also documents the importance of WIOA performance measures and continuous improvement initiatives.

APPENDIX D: DISPUTES RESOLUTION PROCESS

The Providence/Cranston Workforce Development Board (PCWDB) is issuing this policy to provide guidance and standards for resolving issues regarding partner disputes in the delivery of services or the operations of the P/C AJC and in the execution of the MOU and/or modifications to the MOU.

DISPUTES REGARDING FAILURE TO SIGN

WIOA emphasizes full and effective partnerships between the PCWDB and local partners. When the PCWDB and partners have entered into good faith negotiations and have reached an impasse, the following steps shall be taken in the following order:

- 1. When attempts by the PCWDB designee to resolve a dispute that results in one or more partners' failure to sign the MOU, the PCWDB or its designee will notify the Assistant Director of the RI Division of Workforce Development RIDWD of the impasse. In that notification, the PCWDB or its designee will document the steps taken to resolve the dispute with the partner(s). Notification of the impasse will also be sent to all partners and the Governor's Workforce Board.
- 2. Subject to GWB Workforce Investment Notice 18-02, the state shall implement the state funding mechanism in the event that PCWDB and its partners cannot reach a consensus on infrastructure funding

DISPUTES REGARDING RESPONSIBILITIES UNDER THE PROVISIONS OF THE MOU

- 1. The AJC Operator will attempt to resolve all disputes between it and the partners or between the partners themselves.
- 2. If an impasse continues, a written appeal will be sent to the PCWDB or its designee for resolution.
- 3. If the impasse continues, the dispute will be sent to the PCWDB WIOA Oversight Committee for resolution.
- 4. If the impasse continues, the dispute will be sent to the PCWDB Executive Committee for resolution.
- 5. If the impasse continues, the dispute will be sent to the PCWDB for resolution.

APPENDIX E: MODIFICATION PROCESS

This MOU may be amended upon mutual agreement of the partners that is consistent with federal, state, or local laws, regulations, rules, plans or policies or for one or more of the following reasons:

- 1. The addition or removal of a WIOA partner from this MOU.
- 2. Removal or addition of program responsibilities for any WIOA partner
- 3. A change in the one-stop operator or a change in the physical location of the comprehensive one-stop center.
- 4. A change in the services, service delivery methods, currently utilized referral methods, or methods to allocate costs.
- 5. The need to renegotiate a partner's proportionate share of costs based on changes in the method of service delivery or program or funding changes that affect a partner's continued ability to meet its shared cost obligations.

All amendments will be made on the format contained in this Appendix and will involve the following process:

- 1. The WIOA Partners seeking an amendment will submit a written request to the P/C WDB that includes:
 - The requesting partner's name.
 - The reason(s) for the amendment request.
 - The specific item (s) in the MOU that will require revision.
 - The desired date for the amendment to be effective.
 - The signature of the requesting partner's authorized representative.

If the request is approved, the P/C WDB will notify the remaining partners of the intent to amend and will provide each remaining partner thirty (30) days from the date of the notice (unless another time frame is specified in the notice) to review the anticipated changes and to submit a response to the P/C WDB. Failure by a partner to respond within the prescribed timeframe will be deemed that partner's approval of the proposed changes.

In the event that a remaining partner has questions and/or concerns regarding the proposed amendment, the partner must list its questions and/or concerns in writing and submit the list to P/C WDB within the specified timeframe.

The P/C WDB will review the listed questions/concerns and will issue a response within fifteen (15) days of receipt of the list. If the P/C WDB deems it necessary, the listed questions/concerns will be sent to all other partners and/or a meeting with all partners will be scheduled to discuss the proposed changes and to achieve consensus on a final amendment draft.

The final, approved amendment draft will be signed by authorized representatives of the affected partners, then submitted to the P/C WDB for the final signatures. The P/C WDB will distribute copies of the fully executed amendment to all P/C AJC partners.

All partners agree to communicate details of the amendment to their respective staff members whose responsibilities may be impacted by changes and further agree to ensure that their respective staff members are referencing or utilizing the most current version of the MOU and attachments in the performance of responsibilities under this MOU.
